When: June 30th and July 1st, 2016

Where: University of Genoa, Aula Magna
della Scuola di Scienze Umanistiche,
Via Balbi 2, II floor, 16126 Genova, Italy

The II FINO/SIFA Graduate Conference in
Mind, Language and Science "**Between
natural, social, and artificial kinds**" aims at
improving the interaction among young
scholars and researchers in philosophy, both
from Italy and elsewhere, to discuss new
trends on the topic of natural, social, and
artificial kinds.

There is no registration fee and everybody is
welcome.
